

# dondolo

design arch. pio & tito toso

Serie di sedute con struttura interna in multistrato curvato (Dondolo) e in tubolare di acciaio curvato con cinghie elastiche (Superdondolo).

L'imbottitura è realizzata completamente con stampaggio a freddo in poliuretano ed è avvolta da una materassina in Dacron Dupont.

Il supporto metallico è una piastra oscillante in acciaio laccato.

Il rivestimento, facilmente sfoderabile, è disponibile:

- 1) con uno speciale "Tessuto 1258" lavabile bi-elastico in 100% Lana e Lycra di forte grammatura (750 gr/mq), in parecchie varianti di colore tinta unita;
- 2) con tessuto in Lycra bielastica di forte spessore, con disegni fantasia ottenuti con uno speciale sistema di stampa;
- 3) in pelle o ecopelle (non sfoderabile) con un particolare studio delle cuciture data la complessità delle forme.

La serie comprende anche un tavolino imbottito con cristallo di forte spessore (diam. 60cm)

Disponibile a richiesta nella versione ignifuga

*Rocking chair (Dondolo) with internal frame in plywood, relax rocking armchair (Superdondolo) with internal core in tubular metal assembled on elastic belts.*

*Padding entirely in polyurethane soft moulded Rofoam and wrapped in a soft Dacron Dupont.*

*The rocking support is an oscillating varnished steel plate.*

*Coverings, that can be easily removed and washed, are available:*

- 1) *in a special bi-elastic 100% heavy Wool-Lycra "Fabric 1258" (750gr/m2) with many different plain colours;*
- 2) *in Bi-elastic combined Lycra fabric;*
- 3) *in leather or ecoleather (not removable), using a special stitching technique due to the complexity of the shapes.*

*The series is completed with a coffee table, padded and with a round crystal top (diameter 60cm).*

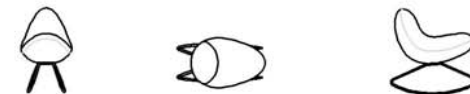

*Also available in a fire retardant version.*
