

# BLOOM

design Giulio Iacchetti

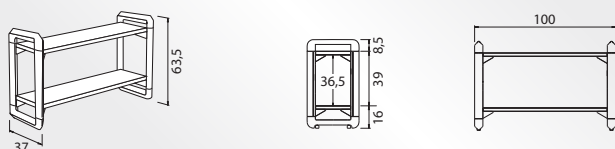

20 moduli (concavi, convessi e dritti) offrono soluzioni per tutte le esigenze sia funzionali che estetiche. Le doghe, dalle linee fluide ed armoniose, recano un'impressione di leggerezza. "Morbida leggera fluida traslucida planare flessibile riconfigurabile coloratissima privata ondulata reception piano di lavoro curvata organica riciclabile casual fondamentale organizzata collegamento serpente cantilever continuativa eterna. Amo lavorare; amo produrre – essere è creare – sono maniaco di Casamania Globalove" Karim

*20 Modules (concave, convex, and straight) allow for various combinations to suit all functional and aesthetic requirements. The 'slats', characterised by fluid and harmonious lines, give an impression of lightness.*

*"Soft lightweight fluid modular translucent planar flexible reconfigurable colourful private undulating reception workspace rounded organic recyclable casual fundamental organised wired snake cantilever continuous forever*

*I love to work; I love to produce; To be is to create – I am a maniak for Casamania - Globalove" Karim.*
